ACADEMIC YEAR 2021-22

PUBLISHED ON APRIL 2022

Vision & Mission

To build technically sound electrical engineers with theoretical & practical skills to provide valuable human resources to industry & society.

M1: To provide technical education by effective teaching learning method.

M2: To provide technical platform to apply the knowledge of electrical engineering.

M3: To build entrepreneurship ability by developing self-learning & life skills

Prof. Dr. Kande S. S.
Principal
BSCOER Polytechnic

From Principal's Desk: It is pleasure to present the newsletter of Electrical Engineering Department for year 2021-22. The ways we teach and the ways our students learn are unique and creative. Consistently, we took into our deficiencies and transform us to an efficient builder of social change. Education is not an act of process of growth. We have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing quality education.

Prof. Bugade S. A.
HOD
**Department of Electrical
Engineering**

Message From HOD: "It is a great pleasure to see the April, 2022 Issue of "Safar" newsletter. On this occasion I would like to welcome the new faculty, staff, and students of the Electrical Engineering Department This newsletter provides an overview of the academic programs, activities, profiles of faculty members, various achievements of students. I wish you all a successful, long-lived, engineering-based career path

Highlights of 2021-22

- Moodle
- Industrial Visits
- Shi Jayanti Festival
- Blood Donation Camp
- Department Day
- Traditional Day

Moodle

“Moodle is a e-learning platform or course management system. Students get online study material which is developed by our faculty and respective subject teachers along with subjective videos. Moodle makes studying easier and in fun way.”

Industrial Visits

Industrial Visits provide an opportunity to achieve interactive learning experience like in class as well as outside the classroom environment. For this purpose, our electrical department planned and executed 3 industrial visits to company Shivshakti power Devices, 11KV Substation “TSSM BSCOER Campus, DG Set power devises Narhe, Pune, with these visits’ students are able to better identify their prospective areas of work in the overall organizational function.

Shivjayanti Festival

Chhatrapati Shivaji Maharaj Jayanti marks the birth anniversary of Chhatrapati Shivaji Maharaj, the first Chhatrapati and founder of the Maratha Empire & is celebrated on 19th February every year. The Chatrapati Shivaji Maharaj was born in 1630 at Shivneri fort, near Pune. The day is celebrated to commemorate the birth anniversary of the great king. Chatrapati Shivaji Maharaj was known for establishing a competent and liberal civic rule with well-structured administrative organizations and public favoured policies.

Department Day

Department Day at TSSM BSCOER Polytechnic Narhe as an interdepartmental celebration where each individual department celebrates its achievements by organizing various cultural activities and felicitation ceremonies. Students who have received any achievements in the academic year are felicitated by the respective department HOD. Success of the particular department is celebrated via various cultural activities. It is indeed four fun and extravagant days at campus.

Traditional Day

This Day is celebrated one of the most anticipated days of the year. The cultural committee of TSSM BSCOER Polytechnic Narhe, organized the Traditional Day. TSSM BSCOER Polytechnic Narhe was decorated with colourful handmade lanterns and rangolis. It's a day designated for all to come in traditional attire from their home state, or specific culture of their choice.

Everyone at the institute came dressed in their best ethnic attires. Students, teaching and non-teaching staff participated with great ecstasy. Everyone wore various outfits like sarees, anarkali suits, salwar kameez, kurta, lungi, achkan, sherwani and many more attires representing Indian tradition from different states. Lots of pictures were clicked by everyone to create memories of this beautiful day which is filled with joy and festivity.

Blood Donation Camp

To make students socially responsible our department actively participate in blood donation camp arranged by JSPM & TSSM Group on the occasion of Birthday of our honourable President Dr. T. J. Sawant Sir.

Farewell Ceremony

Farewell ceremony is a way to given best wishes to students for their bright future journey. One such farewell of TY students of 2021-22 were successfully by EESA under the presence of our beloved Principal Prof. **Dr. S.S. Kande, & HOD Prof. Bugade S.A.**
