

The Shetkari Shikshan Mandal's  
**Bhivarabai Sawant College of Engineering & Research  
Polytechnic, Narhe-Pune**

**Department of Electrical Engineering**

*Specialized Knowledge Promotes Creativity*

*Vision*

Produce comprehensively trained socially responsible, innovative mechanical engineers to contribute to the techno-economic development.

*Mission*

M1: Provide sound technical foundation in Mechanical Engineering through comprehensive curriculum and application oriented learning.

M2: Provide ambience for professional growth and lifelong learning for adapting to challenges in rapidly changing technology.

M3: Inculcate social and ethical values through extra-curricular activities.

**Electrical Engineering Student's Association (EESA):**

Through EESA, students develop academic and leadership skills, increase educational performance, and gain confidence in their ability to compete professionally. EESA lead to host different programs in dept. throughout the semester such as

- #Engineers Day,
- #Teachers Day
- #Quiz competition, etc

**PROF. S. A. BUGADE (HOD)**  
E. E. Head Power, M.E.

**Message** - *“The department of E engineering is putting the best efforts to make students with sound technical foundation in Electrical Engineering. Electrical engineers use the principles of energy, materials and mechanics to design and manufacture machines and devices of all types. They create the process and systems that drive technology and industry. The department aims to provide environment for idea building and its implementation to boost students’ confidence and make them employable. The faculty aims at putting extra ordinary effort towards motivating the students by arranging various guest lectures, expert lectures, projects, industrial visits and in-plant training. The Department is actively associated in mentoring the students by nurturing them with inputs from various basic and specialized subjects including Production, Industrial, Thermal and Design Engineering. The Department has well equipped laboratories for the students and workshop with modern equipment.”*

## Industrial Visit

Frequently we arranging industrial visits for our students.

## Sports

## Student achievement

## Yoga day celebration

## GUEST LECTURES

Guest/Expert lectures furnishes the students on many aspects of life
