Computer Department Vision:

To build technically competent Computer Engineers having various skill sets to become valuable human resources to industry and society.

Computer Department Mission :

To provide conducive environment through practical knowledge with theoretical background to achieve academic excellence and entrepreneurship.

HOD Message

The Computer Engineering Department provides modern laboratories, excellent facilities, and a team of experienced and dedicated faculty to ensure quality education. It focuses on students' overall development by regularly updating their knowledge through training programs on emerging technologies. Additionally, continuous improvements in infrastructure, equipment, and laboratories help students stay ahead. As a result, diploma students secure placements in top companies, while those aspiring for higher education receive proper guidance to advance their studies and careers.

Prof. Budhner N.K, HOD, BSCOER polytechnic
